

INVITATION

Dear Sir or Madam,

Two weeks before the G20 Summit in Rome and COP26 in Glasgow, Climate Transparency launches the 2021 edition of its yearly comprehensive overview of G20 climate action – [the Climate Transparency Report](#).

We invite you to our international online launch event on **14 October 2021, 14:00-15:00 CEST** ([convert time](#)) which will be conducted via Zoom. During the event you will have the chance to learn about key findings of G20 climate action towards net-zero as well as regional and political perspectives.

14 October 2021 (Thursday) | 14:00-15:00 CEST ([convert time](#))

[Register here](#)

Developed by experts from 16 partner organisations from the majority of the G20 countries, the report informs policy makers and stimulates national debates.

Thanks to comparable and concise information presented in a visually attractive form, the [Climate Transparency Report](#) serves as a useful reference for decision makers and actors, and also for those central for climate for whom climate is not central.

Please feel free to circulate the invitation to your colleagues and others who may be interested. You can also download the invitation and register on our [website](#).

We look forward to your participation!

Climate Transparency Team
